Here is the latest update for the Pickleball Club:

Results of Pickleball Ladders: Sun City Center's Pickleball Club recently finished its popular Spring Ladder League. Coming out on top for the second year in a row was Scott Buettner. Women's winner was Sandy Hollnagel. The points competition was won by Jeff Williams and Corri Steele. The most improved position award was won by Ed Durkos, who just missed also winning the points competition by 0.26%. Congrats to all the winners and competitors.

Group Play Starting May 1st: The board recently decided to allow group play over the summer months during club time. This change goes into effect on May 1st, so if your group is interested in playing during club hours, please contact John Orton at johnortonvp@gmail.com. Four courts will be open for regular play, so we will try to accommodate as groups within this limitation.

Maintenance Update: We still do not have a firm date for the resurfacing of our courts. As soon as the CA gives us the date, it will be passed to the members. During the time of this maintenance, there will be NO group play (in other words, all open play from 7 am until 10 pm).

Want to Save Money? PickleballCentral.com has a program where club members can get 5% discounts on items purchased online by using our club's code. If you apply code CRSCCPC (not case sensitive) to your purchase, not only will you personally save 5%, but 5% of your purchase price will be sent to our club for us to use to purchase balls or other items for our club.

Pickleball Clinics: There will be no regular or lightning clinics on Sign-Up genius for the month of May. If you are interested in taking private or group lessons, please contact Greg Eisman directly at 985-285-6267.
